ALL THE FUN OF THE AGM – MAKE A NOTE

Our Annual General Meeting will be held in the hut on Saturday 22 November. The meeting will start at 10 am and is usually followed by cakes (CAKES!) and a group help session. Old hands know the score and these events are usually more fun than they sound and are essential to continue our work. We always need more volunteers to serve on the committee and it need not be too demanding. People always say ‘I haven’t got the time’ but none of us have the time and many members are in full time work with family commitments. If we didn’t have a functioning committee we wouldn’t have a Harthill so think about it. It’d just not fair to let a few people shoulder all the burden.

**obvious poetic reference - sorry*

STAND BY YOUR BEDS. There have been break ins at Sudley allotments, with locks broken and gear stolen. Also we usually get some ‘pumpkin raids’ at this time of year from people who apparently enjoy Halloween with stolen vegetables. Beats me, but there you go

The case of the missing wheelbarrow. *The large metal wheelbarrow is missing. Oh, come on, this can’t be an accident – ‘it came off in me hand your honour’. Please return it, no names no pack drill.*

Manure run. If you’re looking for a winter job, pop down to Beechley Stables for some manure. We can’t find a source and the nice people at the stables are always happy to see you. And you get to see those nice horses....*If you’re struggling to keep you plot cultivated this is a good time to give us notice to leave so we can let someone else have a go*
